

# Alarms

When are they required?

If you are, or are having, a new alarm installed you must obtain a permit from the Police Department. Once the alarm is installed, the Police department must be notified.

While there is, no fee to obtain a permit permits must be renewed annually and are in effect from January 1 to December 31, of that year. Any alarm issued after July 1 will be valid until December in the next calendar year.

If your alarm permit is suspended. **In order to have it restored** you must have it inspected and certified that correction action has been taken.

Operation of a non-permitted alarm will result in a minimum \$100.00 fine.
